

After a fire destroyed the Masonic Lodge November 7, 1974, the Island State Bank purchased the property and built this Drive-in Bank Teller facility.

Patchogue had an attended municipal rest room in the 40's and 50's, located in the Masonic Temple building.

West Main Street 1915. A trolley approaching the Four Corners. Patchogue could boast of a street car service from July 1, 1911 to October 10, 1919. Three battery powered cars, each having a capacity of 25 passengers, provided service from the dock at the foot of South Ocean Avenue to Blue Point and Sayville. In the first year, the line carried up to 1,000 passengers a day, but by 1919 competition from bus lines made the line unprofitable.
