

## The look of the theater after the remodeling

Ornamental side walls of the auditorium have been covered with stretched dark green self-figured rayon fabric, the forward wall and arch with hung rayon in cocoa brown (both installations by Novelty Scenic Studios, New York). The screen platform was extended, in steps, and a screen 50 feet wide installed outside the arch. A silver satin traveler closes the new screen opening at intermission, illuminated by Par-38 red, white and blue spotlamps on dimmer, concealed by a ceiling beam. The main floor was resealed with Heywood-Wakefield padded back chairs upholstered in
