

Many events are organized in Patchogue every year by the Chamber of Commerce and the Greater Patchogue Foundation to attract people to Patchogue. For many of these events, Main Street in the village is closed for the duration of the event. There are craft shows, art shows, Fourth of July

fireworks, Holiday Parades, Christmas Holiday Boat Parades and the Blessing of the Fleet events on the river and the annual Sea Fair and Boat Show on the grounds of the National Parks Terminal and on the Patchogue River. All these events are attended by thousands of people.
