The Sea Fair, 2006

2006 was the third year for the Sea Fair, held at the National Sea Shore parking lot on the Patchogue River, organized by Mike Bruemmer and the Patchogue Riverfront Committee. It was a great success, attended by 12,000 people. The many activities at the fair included carnival rides, concerts, an Antique and New Boat Show, live pirate shows, pirate treasure hunt, craft bazaar, blessing of the fleet and food concessions.
