

A view of the work in progress. The buildings on the right are on South Ocean Avenue and the Methodist Church is in the background.

A picture of the site, taken from South Ocean Avenue. All homes on Gerard Street have been removed by the time this picture was taken, July 6, 2006.

A picture of the future Northwood Village site on Waverly Avenue, just south of the Municipal Garage property. The property had been cleared and leveled at the time of this June 29, 2006 picture.
