

Grand Opening of the Home Town Villa restaurant, the successor to the Home Town Tavern. The restaurant had been completely renovated inside and out. Mayor Waldbauer is holding the large scissor in this ribbon cutting ceremony.

Another change of owners and names. The restaurant is now "Emanuele's", ca. 1980's.

This combination store and office building was erected in 2001 on this corner. The corner became vacant in 1990, when Leone's restaurant was destroyed by fire.
