Another famous personality, Philip Sousa, performed here with his band.

"THE BISHOP MISBEHAVES" IS CRAZY AND EXCITING MYSTERY THRILLER

Jackie Cooper, Bronson Howard and now a new funny and interesting picture on the screen... "The Bishop Misbehaves" Sherlock Holmes, The Thin Man and Philip Love now nothing on the bishop. He can spot a clue with the best of an match wits with the bishop of the world's most delicate! And can you spot a heart and you know you're mixing sleuthing and making!

HE DROPPED HIS A-MEN TO JOIN THE "G" MEN!

The wild primitive life of the Klondike... Romans and greed living side by side... Men hunting, starving, fighting, dying for gold... and WOMEN! Jack London's mightiest story "Call of the Wild" now thunders across the screen. And Clark Gable, Eoretta Young and Jack Oakie are the stars who bring you this thriller!

"This is the life" is a film so well-acted in every part... and rib-ticking laugh so well-drawn that it's a treat to witness this fine production... little sensational actress plays the leading role... John McGarry and Sam Barry head the supporting cast.

Eleanor Powell, acknowledged by critics as the world's most famous tap dancer, keeps her first pair of dancing shoes—worn when she was six as her good luck charm.

Robert Taylor and some of the most famous... Wyn-Mayer leading man, was born in Nebraska, August 5th... son of a country doctor—received an M.D. Degree at Pomona College, California.

PATCHOGUE and GRANADA THEATRES

At the PATCHOGUE SUN. to WED., OCT. 6 to 9

WILL ROGERS STARS IN COLORFUL FILM "STEAMBOAT ROUND THE BEND"

Here comes Will Rogers, chugging down the river in a sweeping current of humor, drama, pathos, laugh, tears, tender romance and age... "Bend" is one of the biggest entertainment triumphs the screen has ever achieved.

In other words, here comes that grand Fox picture "Steamboat Round the Bend." Here's an epic of human emotions set on the Mississippi river. Will Rogers and Bronson Howard match wits for laughs in this film which also stars Anne Shirley.

The Patchogue Theater was sold in 1929 to the Prudential Theater chain, which discontinued the vaudeville shows in the early 1930's. Only movies were shown after that time. This is a playbill for the Patchogue and the Granada theaters, which were both owned by Prudential.
