

Swezey's operated several other stores in Patchogue. This Gift Corner on the northeast corner of Main Street and Ocean Avenue was open for several years in the 1970's. Today it is the O'Neill store.

Across from the main store on West Main Street was Swezey's Home Fashions store.

Swezey's held many promotions with prizes to attract new costumers. Here is the lucky winner of what looks like a trip to Arizona. On the left is Jack Luchsinger, the gentleman in the middle is Mayor Waldbauer, and on the right Kim Swezey.
