 and Patchogue River.  
**E. BAILEY & SONS**

Edwin Bailey also operated a hardware store on the west side of South Ocean Avenue, near the Four Corners.

A view of the lumber mill from across the river. The lumber was brought to the mill on schooners and barges. The mill had three tugboats to move the barges: one that operated on the river, one on the bay, and an oceangoing tug for tows from New York. The boat in this picture certainly is not one of them.
