Mr. W. E. Jordan -  
Pat. Logue, L. D.  
New Sid:

Replying to enclosed,  
would like for picture to be returned,  
if possible - will prepay return  
charges, on receipt of same.

Make add, Mr. Norton

voluntarily came in from  
Alaska to enlist - which was  
Jan. 1918 - but was not called  
until April - 1918 -

He was not given an opportunity to enter the students class until arriving in Florida - which was then in August - and made his ratings with High honors in the short period left.

I am writing this as you asked for any information of Mr. Norton is rather modest and we are proud of what he accomplished in so short a period.

Should you desire any further

information etc., kindly advise.

Very Truly yours,  
(Mrs) R. A. Norton
